

Engage online used car buyers in interactive buy-sell process 24 X 7 X 365!

Eye-catching widget is seamlessly “plugged” into the used vehicle detail pages of your existing website.

When clicked, it opens the request form shown below

Appealing, request form features potential savings for members of select associations or groups, market value, asking price and ability to submit an offer

NOTABLE FEATURES INCLUDE:

- 1 Welcomes and informs buyers whether or not their offer has been accepted. Rejected offers are encouraged to submit new offers
- 2 Displays N.A.D.A. Retail Market Value, asking price and their current offer. Provides ability to make additional offers and learn the results instantly
- 3 Displays CPO logo, if applicable, and provides access to program benefits
- 4 Fully customizable “Why buy from us” panel can include text, images even video
- 5 Displays 3 comparable used & 2 similar new

Done!

Below & the 2 you requested including all applicable manufacturer incentives. You've also taken the loan. Please make sure on 2 other similar new and 3 pre-owned vehicles for your consideration.

Please review the information at your leisure (it will be available here for the next 6 days) and feel free to contact me at any time should you have any questions. My contact information appears above.
